me know and the correct version will appear in the next number of *MONOCULUS*. Grateful thanks to the donors of reprints to the Monoculus and Wilson libraries.

The year of publication as given refers to the year in which the printed version of the journal was distributed, and not the year when it first became available online, if these are different.

Giuseppe Alfonso, Gladys Asencio, Paulo Corgosinho, Cristina Dias, Frank Ferrari, Maria Hołyńska, and Danny Tang graciously provided literature references and, in some cases, reprints.

Thanks to Irena Telesh for providing the correct citations for the two Baltic Sea zooplankton atlases (Telesh et al., 2008, 2009).

Translations of titles in languages other than English (if not given by the source) are provided by the management.
